Commodore's Message:

January has been a whirlwind for Marco Bay. We had the Commodore's Ball on the 12th, a cruise to South Seas and Boca Grande the 13th to the 22nd, Presentation of the Fleet on the 26th, Monday Madness on the 28th and many entertaining eblasts about the Upcoming Survivor Cruise.

I am excited to be beginning my year as Commodore.

We are all lucky to have an amazing group of hard working, dedicated and creative people as MBYC's Bridge and Committee Chairs. They are all listed in

your roster please thank them for their time when you see them.

Rudi's Commodore's Ball was a lovely evening, please see the story below. Rudi had a great year as Commodore and I want to thank him for all the help he has given me as I start my year.

From everything I hear the trip to South Seas and Boca Grande was a lot of fun but a little chilly. Thanks to Fleet Captains Brent Cook and Mike Brown for all their planning.

Presentation of the Fleet was unique to say the least.

We woke up to a very dreary, rainy, windy day. It absolutely was not a day for a boat ride and a stunning ceremony on our beautiful Marco Waters. However, everyone was good spirited and the show went on - on dry land! We all met at the Esplanade's Outdoor dining area overlooking Smokehouse Bay, we hung our banner and MBYC's Presentation of the Fleet began at 11:00 a.m. Alan and Linda Sandlin led us in the National Anthem to start things off. As tradition has it we then all recited the Pledge of Allegiance. The Bridge was introduced followed by a brief history of the club presented by our historian Alan Sandlin. Alan then put on his Chaplin's hat and gave an inspirational invocation and blessing of the fleet. There was a moment of silence and roses were placed in the water for those that have passed before us. This year we lost P/C Irwin Miller, he had been a member since 1993. Then Fleet Captain Brent Cook introduced the fleet, there were to be 13 boats in the bay instead we had 13 captains, crews and their guests lined up on shore for a very entertaining presentation. The Bridge was proud to salute them all as they mimicked paddling, steering, swimming, etc. - it was great!! It was followed up by a great lunch at CJ's.

Monday Madness was chilly but we all kept nice and warm with jackets and heat lamps. Well over 50 hail and hearty members turned out despite the weather. We had four couples interested in the club

join us.

Judy Sacher, our new membership chair, was all set with membership applications, addressed envelopes and all. Joel and Sherry had the Ship's Store set up and did quite a bit of business. I think we all had a great time! CJ's staff was very accommodating they did a great job of keeping us warm and with drinks in our hands.

Survivor is coming up on February 5th. Bob, Lyn, Lydia and Paul are doing an outstanding job of getting us all excited about it. Our four tribes are sure to have lots of fun competing on Panther Key. If you haven't had your boat inspected yet please give Rudi Landwaard or Al Rapp a call and get it done before the event.

Next month we also have a First Mate's event organized by Dorothy Landwaard, The works of Isabella de Borchgrave "Fashioning Art From Paper" at Baker Museum at Artis Naples.

The 2019 Rosters are now available. If you have not picked yours up give me a call at 262-939-1340 and you can stop by and pick it up from me or they will be available at the February Monday Madness. We have received an invitation from the Marco Island Yacht Club to attend their Blessing of the Fleet on February 16th. See the information and flier below if you would like to attend.

I hope everyone has a great February in paradise as we all "Boat and Play with Marco Bay"!!

Commodore's Ball 2019

Commodore Rudi Landwaard ended his year as MBYC's Commodore with a lovely evening. As usual his Commodorable Dorothy looked stunning.

The event was held at Hideaway Beach Resort and seventy-five members attended. The room looked very festive in blue and white. Rudi selected a beach theme. He created each of our place cards using real sand dollars for the men and starfish for the women. The theme was carried through with starfish and sand dollars in the blue and white flower arrangements.

The evening began as Rudi and Dorothy greeted each guest at the door and presented the women with a rose. There was a cocktail hour from 5:30 to 6:30 with a fabulous antipasto display.

We were all seated at 6:30 and Commodore Rudi and Dorothy were piped aboard by Alan Sandlin followed by Vice Commodore Sally Orth and Don. Rudi welcomed everyone and made a few introductions followed by Chaplin Alan Sandlin's invocation.

Dinner was delicious. We were served a filet of beef tenderloin with a demi glace paired with grouper, buerre blanc, roasted red potatoes and asparagus. The meal was finished off with a beautiful dome dessert.

After dinner Rudi gave a thoughtful speech thanking everyone who helped him throughout the year. He then presented the 2019 Bridge, Rear Commodore Bob White, Vice Commodore Larry Sacher and Commodore Sally Orth with their stars.

Our new Commodore Sally Orth made a brief speech introducing the new committee chairs and thanked them all for agreeing to help us all "Boat and Play with Marco Bay".

The evening was made complete with entertainment by Michael D'Amore. Michael did an amazing job everyone seemed to really enjoy his talent. There was lots of dancing, good conversation and laughter to round out the night.

As always the staff at Hideaway did a great job. They are all so accommodating and easy to work with.

South Seas - Boca Grande Cruise

Six of the 9 boats (My Turn, Cookin' ,Therapy, Divergent, My Cherie and Karine) decided to depart for South Seas a day early on Sunday 1/13 due to better sea conditions. The decision paid off with 1 foot seas all the way to South Seas on the outside. We were joined by 0 Sea D, Nauti Buoy and No Name a few days later. We took our time getting the boats "Ship Shape" and prepared to do what we do best which is eating out.

On Tuesday, we did our own thing, such as walk on the beach, play cards and read. That evening we had 15 people for dinner where we enjoyed the food and each other's company in the private room at the Green Flash Restaurant.

Wednesday the Zimmerman' s joined us whereby, Kris announced that if she had her way she would have pulled in halfway there and sold the boat as the winds and seas were no fun in their open boat.

Thursday for lunch a number of brave souls went on No Name (an open boat) to Cabbage Key for lunch and that night for dinner at Doc Ford's for a fun day.

Friday we departed for Boca Grande Marina. We were joined by land yachters, Rudi and Dorothy Landwaard. We all gathered that evening at Miller's Dockside for dinner and celebrated Brent' s birthday with a huge .sheet-cake baked by Susan.

Saturday we jumped on our golf carts to enjoy the island and have lunch at South Beach. That evening we had a great dinner in The Eagle Grille private room. We had a couple boats leave early and then on Monday evening everyone enjoyed a fabulous meal at Temptations.

As usual, we all had a great time B. S'ing with our friends, eating and carousing. We hope to encourage more boats and guests to join us on future cruises.

Articles, Announcements, & Club Notices:

In early January, I met with other Commodores on Marco and Marine Officer Josh Ferris spoke to us about boat theft on the island. Between May and November of 2018, five boats were stolen from Marco island. He shared this flier with us. Josh's cell phone number is written on the bottom, if you see anything suspicious give him a call.

Stolen Boats

Marco Island Police Department

Marco Island is a boating community, which includes 22 miles of shoreline, 7 large bays, the Marco River, three creeks, two small islands and 290 canals. It takes an active partnership between neighbors, the community, and law enforcement to stop these thefts. The Island's unique geography make it imperative that we all help watch over our neighbor's homes and boats. As boat theft is a growing problem in Southwest Florida boat owners must protect their boating investment and keep an eye out for suspicious behavior around vessels in the area. Boat thieves are attracted to vessels that are easy to access or in a remote location.

STOLEN VESSEL WARNING!!

Boater owners can reduce the risk of theft by the following methods include:

- Move the boat lift's electrical power shut-off inside your house.
- Secure the boat to the lift.
- Secure the lift to the dock.
- Install an alarm system on your dock.
- Install a GPS enable alarm system on your boat.
- Installing covert fuel cut-off or ignition / battery switches.
- Exterior lighting that shines on your vessel and dock.
- Remove the keys from your boat when on the lift.
- Removing all valuables to include GPS, Radar, and Radios.
- Report all and any suspicious activity.
